# Rules For Mud Volleyball

Rally Scoring -- whoever is ahead at the end of 15 minutes is the winner.

Each game must be won by one point.

On the serve, if the ball hits the net and goes over, it is good.

Players can substitute any time but must stay in rotation order. Before each game, teams will flip coin to determine side. Switch sides at 7 1/2 minutes.

Each team will be allowed one time out for 30 seconds; the clock will continue to run. Each Player must pay the \$10 entry fee before the game starts. Referee has final say on all calls. If he/she is unsure, he/she may call for a replay. Winning team must report their win to the tournament director.
